I live in the North East of Scotland in the beautiful Speyside area. I have always had a passion for horses, having my first pony, a black Shetland, called Betsy from the age of 8 but riding from the age of 4. My first horse, who is still with me and my first link to the Arabian horse world, was a part bred Arab called Trigger, sired by Fangold. He is now 30 and living his retirement with me and my two other horses, Amber and Sylvie. Amber (Badenheath Oronsay) is also now in her 20s and a Welsh Mountain known as 'the belly on legs' by many for her always empty tummy. Along with Trigger and Amber I am also the lucky and proud owner of a very rare Queen of Sheba mare called Silver Shadow (Red Shadow x Sula Minisca) who is 97.57% Crabbet and 100% Old English in her breeding . After being backed in 2007 she has been hacked out successfully and is currently taking some time out to breed her first foal before hopefully resuming her career under saddle in ridden classes and endurance.

Although I have never ridden competitively I am more than happy enjoying my horses as a hobby and they are very much part of the family. When not with my horses I spend time with my very understanding other half Jono who is now also showing an interest in my horses. I also enjoy reading and going to the cinema, as well as spending time with my close like minded friends.
